

## **Week 5 Assignment: Group Project: Completion**

### **Overview**

This week, your learning team will turn in your group project by providing your academic coach with the URL link to your team Google site. Be sure to consult the rubric for information regarding grading criteria.

### **Directions**

Before turning in your assignment, you and your team should check to make sure that your group project addresses the following:

- All of the components of the group project, including a plan, learning and activities unit, technology products and samples, and reflection.
- Components are clearly identified on your team Google site.
- Evidence proves that all team members contributed.
- Completion of weekly team assignments.
- Navigation and appearance of the team Google site is clear, attractive, and easy to use.
- Graphics, photos, videos, weblinks, blogs, and other technological items have been added to enhance your team's solution to the group project.

Once the team Google site is ready, the team captain needs send the URL link to the academic coach.

**Rubric**

Use the following rubric to guide your final group project.
